**Evaluation is the first step in the special education process to determine if a student qualifies to receive special education services.**

This free, online workshop will explain when and why a parent might seek an evaluation.

- how to request a comprehensive evaluation
- understand the purpose of the evaluation process
- explain eligibility criteria
- review of timelines

We'll cover important terms parents need to know, like REED, Notice, and IEE, as well as parent's rights during the evaluation process.

**Who should attend?** Families with a child with a suspected disability or learning challenge, school staff, other community members
