This free, online workshop takes a closer look at the Individualized Family Service Plan (IFSP) process for babies and toddlers in Michigan.

This workshop will help you:

- take a more in depth look at the IFSP
- prioritize your greatest concerns
- learn how to address those concerns
- improve your ability to have productive conversations

There will also be time set aside to ask questions.

Who should attend? Families with a child under 3 with a current IFSP or concerns about their child's development.
