Michigan Alliance for Families announces the release of a new video series “Making the Most of *Early On*.” This collection of short videos is specifically created to help parents understand and navigate the supports and services available for young children (birth through age three) who have developmental delays or disabilities.

There are six videos on these topics

- What is *Early On*?
- Natural Environments
- Parent to Parent Advice
- Transition from *Early On*
- Preschool
- About Michigan Alliance for Families

Each topic includes closed captions in English, Spanish, and Arabic subtitles. In addition to the videos, parents can find more early intervention resources at www.michiganallianceforfamilies.org/babies-and-toddlers.

Parents and professionals can view the videos on the Michigan Alliance for Families YouTube Channel <http://www.youtube.com/michiganalliance> or directly on our website <https://www.michiganallianceforfamilies.org/videos/>

Michigan Alliance for Families provides free information, referrals, and mentoring about special education. Parents who want help with an early intervention or special education matter can connect with the Parent Mentor in their part of the state by calling 1-800-552-4821 or emailing info@michiganallianceforfamilies.org

Michigan Alliance for Families is a Michigan Department of Education Individuals with Disabilities Education Act (IDEA) Grant Funded Initiative, Michigan Department of Lifelong Education Advancement and Potential, and is Michigan’s federally funded Parent Training and Information Center. Michigan Alliance for Families provides information, support, and education for families who have children (birth through 26 years of age) who receive (or may be eligible to receive) special education services.
